

# NVR Software

## Free CMX

### Remote Device Manager

- Remote alarm setup
- Remote device setup
- Remote device status

### eMap Manager

- eMap
- Live monitoring alarm triggering
- Alarm snapshots
- Device find
- PTZ control

### Web Manager

- Remote IP camera and DVR web-based video monitoring
- Grouping monitoring

### NVR Central

- H.264 AVC full D1 recording
- User access level
- Grouping monitoring
- Smart search
- PTZ control
- Audio monitoring

### Database Manager

- Event and alarm management
- Network status report
- Database maintenance
- Database import & export
- Reports

## Specifications

### NVR Software

|                             |   |
|-----------------------------|---|
| Recording for               | IP Fast Dome all series   |
|                             | PIH-1000S (LAN Camera)  |
|                             | IPR454/458 (High resolution IR IP Camera series)                      |
|                             | PVS-1020 (Video Server with audio)<br>VS012 (Video Server with audio) |
|                             | MPEG-4 PDR-6040/PDR-6080/PDR-6160<br>H.264 DVR004S                    |
| Live Monitoring             | IP Fast Dome all series   |
|                             | H.264 DVR004S<br>PDR-2160   |
|                             | MPEG-4 PDR-6040/PDR-6080/PDR-6160                                     |
| E-Map                       | Alarm and management events   |
|                             | Device video recalled on a map  |
|                             | Dualview supported  |
| Compact & Repair DB Utility | Database recovery & compact utilities                                 |
